Trim Healthy Mama (THM) is one notable program that has been taking place here for over 8 years. Miss Kellee, who is one of our lovely librarians is also the teacher for this incredible class. Kellee hosts monthly meetings that delve into the science of the THM book series, and even cooks delicious food straight from the cookbooks for you to enjoy along the way. (Don't let the name steer you away, as THM is for everyone!)

Interested in learning more about Trim Healthy Mama? Come on in to BTPL and checkout the bunches of books we have available at our library.
