Bethel library's Painting Party is now open to ages 10+ and includes a fee of 20 dollars to cover all materials. It is open to absolute beginners up to advanced artists.

Be on the lookout for future dates and sign up for some painting fun!

The God of the Woods - Kaitlin's Pick

Love Letters to a Serial Killer - Trish's Pick

Early morning, August 1975: a camp counselor discovers an empty bunk. Its occupant, Barbara Van Laar, has gone missing. Barbara isn't just any thirteen-year-old: she's the daughter of the family that owns the summer camp and employs most of the region's residents. And this isn't the first time a Van Laar child has disappeared. Barbara's older brother similarly vanished fourteen years ago, never to be found.

As a panicked search begins, a thrilling drama unfolds. Chasing down the layered secrets of the Van Laar family and the blue-collar community working in its shadow, Moore's multi-threaded story invites readers into a rich and gripping dynasty of secrets and second chances. It is Liz Moore's most ambitious and wide-reaching novel yet.

An aimless young woman starts writing to an accused serial killer while he awaits trial and then, once he's acquitted, decides to move in with him and take the investigation into her own hands in this dark and irresistibly compelling debut thriller.

Three Jokers - Kaylin's Pick

30 years after "The Killing Joke" changed comics forever, "The Three Jokers" re-examines the myth of who, or what, is the Joker and what is at the heart of his ongoing battle with Batman? New York Times bestselling writer Geoff Johns and Jason Fabok, the writer/artist team that waged the "Darkseid War" in the pages of Justice League, reunite to tell the ultimate story of Batman and The Joker!

After years of anticipation, the epic story is finally here: find out why there are three Jokers, and what that means for the decades-long battle between the Dark Knight and the Clown Prince of Crime. In this powerful, emotional story Batman, Batgirl and Red Hood - all past victims of the Joker - work together to solve a mystery unlike anything they've ever faced before!
