Under old business, the Summer Reading Program was reviewed. Since only 12 children attended thought was given to a time for next summer. Maybe we could check when the swimming classes are to be given since this seemed to keep children away this year. This will be considered in plans for 1987. In the meanwhile children should be encouraged to read books from the Library.

2. Bus trips are ^{now} being planned for December's Christmas Show by Connie Heller. ~~is~~ she is certain they will both be needed.

One school story hour ^{will} start oct 5th thru nov 26th.
Joann Allen has charge of the display case for Sept.

Under new business Craft Classes for the winter months were discussed. Suggested were - Classes on wrapping packages - possibly by someone from the County Home Extension Office. (This for November)
Also making heart shaped baskets for Valentines Day - Instructor - Pat Storr - It would cost about 10.00 per person.

For next year thought to be given for Christmas time - decorations - best homes - open house type affair for those who wish to have you visit their home during holiday season.

As there was no further business - meeting adjourned.
