

## Materials Donations

The Womelsdorf Community Library gratefully accepts materials donations during our normal operating hours.

- We do not accept textbooks, Reader's Digest books, encyclopedias, magazines, or any materials published **before 2013**.
- Please give us a call if your donation is more than one box or bag. We will schedule an appointment with you to drop off your donation at the back of our building in our parking lot.

If you have any questions, please call the library at: +1.610.589.1424
